June 9, 2008

Dear Member,

You have expressed interest in attending this fall's Girl Scout National Council Session in Indianapolis as a visitor, or someone thought you might like information about attending, because it is closer to home this time around!

Enclosed are the following:

- The information flyer given to Neighborhood Managers in April and also posted on our website, [www.gsmtd.org](http://www.gsmtd.org), under Volunteer Resources
- FAQs, also available on our website
- Registration form to include with your payment for Girl Scout National Council Session. You may also register online through our website, [www.gsmtd.org](http://www.gsmtd.org), under Online Registration/Adult Training (for both adults and girls).

All payments with convention registration forms received at the Service Center by June 30 will receive the lower registration fee as stated on the original information flyer (enclosed). If your payment has not been paid in full by June 30, your rate will increase to the higher fee. All registration fees and payments received July 1 through July 31 will be processed at the higher rate.

The Service Center will be closed July 29, 30, and 31, and is scheduled to re-open Friday, August 1. Please observe the July 31 final deadline for registrations and payments by mailing early or registering online under Online Registration. There may be staff in the office during the closed days checking the drop box. Please **call me and leave a voice mail** that day if you use the drop box so I can make sure your paperwork was received.

Procedures in regard to registration fee cancellation will be followed using the information sheet enclosed, not the GSMT event cancellation information given online or in the *Program Guide*. Contact me if you have questions. Thanks!

Yours in Girl Scouting,

Kim Dyer  
Director of Volunteer Services  
Convention Representative
